BENJAMIN R. SAPERSTEIN

(248) 918-8903 | bensaperstein2028@u.northwestern.edu | www.linkedin.com/in/ben-saperstein

EDUCATION

Northwestern University | Weinberg College of Arts & Sciences — **Evanston, IL**
Bachelor of Arts | Majors: Economics, Data Science — *Sep 2024 – Jun 2028*

- GPA: **3.91/4.00** | Dean's List: **5/5** | SAT: **1560/1600**
- Relevant Coursework: Data Science & Machine Learning (Python), Data Structures & Algorithms, Software Design (C/C++), Data Visualization, Applied Econometrics, Game Theory & Oligopoly, Industrial Economics, Linear Algebra, Multivariable Calculus

Yonsei University — **Seoul, South Korea**
Visiting Student — *Aug 2026 – Dec 2026*

EXPERIENCE

Credibly — Fintech Lending — **Southfield, MI**
Software Engineering Intern — *Jun 2026 – Aug 2026*

- Built 6 self-service Python/FastAPI endpoints to create, list, and enable/disable lenders and commission-share partners
- Integrated capability-based permissions and Alembic database migrations across 2 repositories; changes approved and merged
- Verified 7 user stories in deployed CI using Postman and DBeaver to test permissions, database updates, and UI integration

Admissions Architects — College Admissions Consulting — **Bloomfield Hills, MI**
Business Strategy Intern — *Feb 2026 – Jun 2026*

- Researched admissions-consulting competitors to inform brand positioning, service packages, and website recommendations
- Developed branding concepts and advised founders on website-building tools, visual direction, and prompts for site content
- Proposed a discrete-choice pricing survey and reviewed simulated results to plan research on service pricing and positioning

Bloomfield Hills Student Tutoring Organization / Self-Employed — **Bloomfield Hills, MI**
Founder & Private Academic Tutor — *Jan 2023 – Mar 2025*

- Founded and led weekly tutoring at 2 district middle schools, serving approximately 80 students and training 31 tutors
- Provided paid, personalized tutoring to 10+ students in grades 3–11 from 2024–25, using tailored lessons and progress checks

SELECTED PROJECTS

Virtual Rubik's Cube Performance Analysis | GitHub

- Analyzed 22,442 personal virtual csTimer solves across 5 years and 15 variables in Python/pandas for 2 statistics final projects
- Compared 9 regression specifications using an 80/20 split, with degree-2 Ridge regression tuned through 5-fold cross-validation
- Measured correlations between solve time and longest-pause duration ($r = 0.67$) and fastest 10-move burst duration ($r = 0.66$)

ASA DataFest 2026 — Healthcare Analytics | Presentation

- Analyzed care fragmentation in type 2 diabetes patients by comparing unique departments visited with emergency visits
- Presented care-coordination recommendations aimed at reducing duplicated services and improving continuity and efficiency
- Earned People's Choice among 20+ teams at a 48-hour competition; developed and delivered findings with a 5-person team

Philadelphia Restaurant Yelp Optimization Challenge | Presentation

- Built restaurant-level OLS regression models using an 80/20 train-test split, achieving test RMSE of 0.71 Yelp stars
- Interpreted team sentiment analysis (NLTK, Word2Vec, VADER) and gradient-boosting results to guide restaurant strategy
- Created regression visualizations and co-presented findings and restaurant recommendations; placed 2nd among 9 teams

ACTIVITIES & LEADERSHIP

World Cube Association — **Ann Arbor, MI**
Competitive Rubik's Cube Solver — *Nov 2019 – Present*

- Recorded a 6.28-second official 3×3 single in WCA competition and peaked at No. 7 in Michigan's 3×3 single rankings
- Competed across 12 events, including 2×2–7×7, one-handed, and blindfolded; blindfolded practice best: 37 seconds
- Judged solves, scrambled puzzles, and ran cubes between competitors and judges at every WCA competition attended

Investment Management Club — **Evanston, IL**
Vice President of Operations — *Oct 2025 – Present*

- Manage purchasing for club events, including training materials, food, guest gifts, and printed resources for career workshops
- Coordinate room reservations and event logistics for guest speakers, resume workshops, and interview-preparation sessions

The Hawkeye | Bloomfield Hills High School — **Bloomfield Hills, MI**
Editor-in-Chief; previously News Editor & Staff Writer — *Sep 2021 – Jun 2024*

- Led editorial brainstorming, planned issue content, and facilitated section meetings as editor-in-chief during senior year
- Reported community news and feature stories through interviews with students, educators, and school administrators
